PROFILE INFO

As an undergraduate eager to launch a career in Quality Assurance, I offer a strong foundation in software testing methodologies and a passion for ensuring product excellence. Seeking an internship opportunity to apply theoretical knowledge in a practical setting, contribute to QA processes, and gain hands-on experience in a dynamic work environment. Committed to learning and collaborating with industry professionals to deliver top-notch software solutions.

EXPERIENCE

Jan 2020 -Apr 2021
Independent Tutor

I had the opportunity to contribute to the educational development of students.Delivered personalized educational, behavioral, and emotional support to students, fostering a conducive learning environment.Conducted tailored, individual classes to address the specific learning needs of students .
